Here are some learning activities that do not come from a device:

- Read with your child daily. (Our favorite! 😊)
- Have multiple conversations with your child daily.
- Play outside, explore nature together.
- Cook with your child and let them set the table.
- Point out sounds in words (cat begins with /c/, *pat* and *rat* rhyme, etc.)
- Count toys, objects outside, anything and everything!

We will miss you! We love you. Stay safe and healthy, and we hope to see you very soon.
